

November 2004

The CHRISTIAN BROADCASTING COUNCIL (CBC) of the United Kingdom wishes to endorse the application by CROSS RHYTHMS CITY RADIO in Stoke-on-Trent and Newcastle-under-Lyme for a permanent Community Radio Licence in order that they may continue to provide their community with a radio service.

From the day that CROSS RHYTHMS CITY RADIO hit the airwaves as the first community trial radio station to commence regular broadcasting they have shown commitment and encouragement to local people. CROSS RHYTHMS is clearly bringing social benefits to their area. CROSS RHYTHMS is a community station with a Christian ethos and Christians are told to Treat everyone you meet with dignity. Love your spiritual family. Revere God. Respect the government. 1 Peter 2:17 (Message translation). With such a heart for their area and community, CBC would ask Ofcom to grant CROSS RHYTHMS CITY RADIO a full-time Community Radio Licence.
